

**Do you *crave* for some movement and growth
in your journey with Jesus?**

Part of our mission as a church is to help you, wherever you are, to become a more fully devoted follower of Jesus. There are many ways to do that (to explore these options talk to someone at the *nextsteps* display or someone wearing a *nextsteps* badge), however one way that is vital to our spiritual life and community is by doing life with a group of likeminded people. We have many opportunities for you to connect with others, and if you can't find one that fits with you, let us help you create a group that would. The following is a listing of groups meeting here on Wednesday evening. The symbols beside each group designate which step the group *primarily* helps you to take in the *nextsteps* process. For more info on the *nextsteps* process, pick up a *nextsteps* brochure at the display.
